HWA's responsibilities will be secondary to any other extended or in-home warranties that exist for the included systems, components and appliances.
- N. HWA is not responsible for removal and hauling away of old equipment or appliances. Where available, you may choose to pay an additional fee by the service vendor for removal and/or disposal of an old system, component or appliance.
- O. HWA reserves the right to offer cash back in lieu of repair or replacement in the amount of HWA's actual cost, which may be less than retail, to repair or replace any covered system, component or appliance.
- P. During the Listing Period, HWA will not pay for the repair or replacement of any covered systems or appliances if they are inoperable as a result of pre-existing conditions, deficiencies and/or defects.
- Q. HWA will not be the Authorized Repair Technician and HWA will not perform the Services hereunder. HWA will only subcontract with Authorized Repair Technicians that meet its standards.   - When it is required to maintain compatibility with equipment manufactured to be 13 SEER, R410A and/or 7.7 HSPF or higher compliant, HWA is not responsible for upgrade or additional costs or expenses that may be required to meet current building or zoning code requirements or correct for code violations. This includes city, county, state, federal and utility regulations and upgrades required by law.
